Widely reported that no such video exists and that Mr. Trump misspoke. We should confirm that's accurate.

No rush. I am out all next week. Rep Pompeo won't be back till after the recess.

Thanks [redacted]

Trump says he saw a video of Iran unloading the \$400M. If there is a video, Rep Pompeo would like to see it. He would also like to know how the USG got ahold of the video. See below for his statement.
