Didi,

Looking forward to seeing him. And all the thanks go to him -- for being so patient with this, and for doing it at a moment that I'm sure he's [redacted] (b)(6)

Please tell him I'll have two documents with me. One is the chapter that he's already seen, and we'll go through the changes, in full (and anything else he wants to review.) The second is the [redacted] (b)(3)
[redacted] -- the one he didn't recall. That will be the totality [redacted]

See you a bit before 2.

UNBELIEVABLY, we are still good for the meeting with Michael at 2:00. You are cleared in and can do VIP parking. If that lot is full, please swing around to the other side, near the Bubble, for VIP-parking plus. Just let the protocol officer who will greet you that you are in Distinguished Visitor parking.

Michael wanted to be sure I passed along his thanks for being willing to walk him through the text one more time. This is important, and he really appreciates your responsiveness on this.

See you this afternoon- Didi
