VI. RE: SUPPORT RENDERED - SOD/DDP, Mr. Lou RUCKER (AIR OPS)

Mr. BECKER went to TANKLI AF Base, Thailand, and performed some "firsts". He flew in a BOEING 727 and for the first time, experimented with dropping PERSONNEL and CARGO from this airplane. T-10 dummies were dropped, then Lou was the first human to be dropped from this plane; sticks of 11^{each} - 600 lb. pellets (w/chute attached) were dropped...
