A translation of the text is as follows:

"My heartfelt thanks for your good wishes on my sixtieth birthday for which I am very grateful. I would like to combine my expression of thanks with my appreciation for the friendly cooperation between your service and the Bundesnachrichtendienst. I hope, in the interests of our countries, that this cooperation will continue in the future as it has in the past and not depend on any political fluctuations. I would be very pleased if you could soon pay us the visit which you had to postpone previously. You and your wife are heartily welcome by us at any time which is suitable to you.

"To you, to your wife and to your colleagues all the best wishes for 1974.

Gerhard Wessel"
