

SECRET

SUBJECT: PL-439 Holding Area Report

TO : Chief, ZREKLOPE

The following report presents additional information based on interviews and observations.

A. Problems - There were no special problems presented. Subject was interested to know about future plans and expectations upon completion of school. He expressed a strong desire to work for Americans either in the United States or in Europe. He feels that he is best fitted for administrative work and would especially be interested in propaganda work directed against communism. Subject brought to the attention of the holding area staff his former heart ailment, although he feels quite healthy at the present. The following medicine was provided upon his request: Sympathol, Urocedin, and Heuman-Card-Ospin. Subject was told that his future assignments would depend upon his training accomplishments and capabilities.

B. Comments - Subject is very intelligent, mild tempered, obliging, considerate to others, and acted in some instances as spokesman for the group. Subject is a true patriot. He expressed his whole hearted support for an independent Ukraine.
