(b)(5)

Dear Sir or Madam,

Under the terms of the Freedom of Information Act I would like to request copies of any documents that you may hold regarding or that related to Dr. Henry Rainford Hulme (9th August 1908 - 8th January 1991). Proof of death can be e-mailed across if needed in the form of an obituary published in the United Kingdom newspaper The Guardian, published 23 January 1991, and there was an obituary published in the Quarterly Journal of the Royal Astronomical Society, Vol. 32, No. 3, 1991 which can be viewed at <http://adsabs.harvard.edu/full/1991QJRAS..32..313T>. During the Second World War Dr. Hulme worked with the Admiralty and the Air Ministry and on occasion did visit the United States, and did have some connection to the Manhattan Project, I believe.

Thanks in advance.
