SHIGEMITSU Mamoru  
Foreign Minister, lacks personal charm, tact, and  
qualities which are normally considered to be required  
for his job. It is doubtful that subject is popular  
enough in his own constituency to be elected to the Diet  
in the next general election. Subj has reportedly saved  
a considerable sum of money, up to ¥10,000,000, and will  
not be financially pinched after the loss of the Foreign  
Minister's job.
