MEMORANDUM FOR: Chief, FE/1

SUBJECT : Purchase of Ten Colored TV Receivers

1. Enclosed in the attached sealed envelope is a copy of the invoice received in conjunction with the purchase and shipment of subject items to POJACKPOT/1.
2. You will note that the total cost involved is \$4523.53 or \$308.77 less than the anticipated and prepaid total of \$4832.30. This difference in the total cost is a result of the receivers being shipped by sea from New York to Japan rather than overland from New York to San Francisco and then by sea to Japan. The company had determined that in this case it would be as expeditious to ship direct from New York since the first available vessel out of San Francisco would not arrive in Tokyo until after the New York ship.
3. Contact has been made with the officials of the company from which the sets were purchased concerning the \$308.77 reimbursement due the Agency and it was determined that the reimbursement would be made in approximately three weeks through the lawyer who assisted in this purchase.
