SUBJECT: SI and H Experimentation, 20 October 1953

(b) (1)  
(b) (3)

On 20 October 1953, Tuesday, SI and H experimentation was carried on in Building 13, Room 20, by [redacted] and using [redacted] subjects.

[redacted] opened the session with a relaxation technique for both subjects. The subjects were induced to a medium state of hypnosis and were given post-hypnotic suggestions which they carried out.

[redacted] then worked with [redacted] and achieved a deep state of hypnosis. [redacted] then worked with [redacted] and induced her to a state where she was requested to open her eyes, carry on conversation, move about in the hall with total amnesia.

The session was concluded at approximately 9:00 PM.
