**SOMALIA: More Arms Reaching Aideed**

Somali warlord Aideed reportedly is receiving supplies of small arms and ammunition. His supporters regularly buy arms in eastern Ethiopia and ship them to Mogadishu overland, often by camel and donkey caravans.

[Redacted] small arms, ammunition, handgrenades, and rocket-propelled grenades arrived in Mogadishu from central Somalia on Wednesday.

**Comment:** The warlord's ability to get new arms undoubtedly has contributed to recent reports [Redacted] that Aideed believes he is winning against the US and the UN. Additional arms and ammunition will let his militia escalate further their daily attacks on the UN forces and on rival clans in Mogadishu.
