Operational  
NOSTRIL

1. Jones Salis, 208 Hamilton Avenue, Paterson, New Jersey, is a Circassian who formerly resided in the Roktamukai area of the Caucasus. During his residence in the USSR he was acquainted with Nostril and knew something of the latter's reputation. After leaving the USSR he spent some time with the NCNC.

2. If there is no derogatory information on hand concerning Salis' reputation, it is suggested that Headquarters approach him regarding Nostril's past reputation and activity. The contact could be made on the pretext that the Immigration and Naturalization Service is investigating Subject's background in connection with his effort to immigrate to the United States.
