## FEDERAL BUREAU OF INVESTIGATION

Date May 5, 1969

MISCHKEST CHUAKO, 229 Clinton Street, Paterson, New Jersey, related the following:

CHUAKO was born November 4, 1911, Krasnodar, North Caucasus. He was taken by the German forces to the Ukraine. He subsequently went to Italy, Austria and Germany. CHUAKO remained in Germany until 1951, when he entered the United States. He was naturalized a United States citizen in 1961. CHUAKO is presently employed as the custodian at Wayne Hills High School, Wayne, New Jersey.

CHUAKO wanted the Federal Bureau of Investigation (FBI) to be aware of subject's past and present activities. He and the others have signed the statement concerning the subject and believe he has committed violations against the civil and moral laws.

CHUAKO, as well as many of the men who signed the statements concerning SOOBYZOKOV, have known him from the Caucasus. CHUAKO lived about 17 miles from SOOBYZOKOV in the Krasnodar area.

There are many Ciscaucasian people living in the Metropolitan New Jersey - New York area, who are terrorized by SOOBYZOKOV because they know he is vicious.

SOOBYZOKOV has the reputation among some Ciscaucasians of being a "swindler". SOOBYZOKOV has created the impression that he can "fix" accident cases as well as divorce cases for Ciscaucasian people who live in Paterson, New Jersey area. He accepts money from people who are expecting some action on SOOBYZOKOV's part. SOOBYZOKOV has led people to believe he knows judges and political figures and therefore, SOOBYZOKOV can take care of their problems. The money SOOBYZOKOV has received is not declared as income by SOOBYZOKOV.

SOOBYZOKOV claims to be personally acquainted with ANTHONY J. GROSSI, leader of the Democratic Party of Passaic County and Representative CHARLES S. JOELSON, Congressman of Passaic County in Paterson, New Jersey. Because of SOOBYZOKOV's political activity on behalf of the Passaic County

Democratic Party, he was rewarded with appointments to the Paterson Housing Board and is employed by the Passaic County Purchasing Department. Congressman JOHNSON recently appointed SOOZEKOV to head his "New Americans Program".

SOOZEKOV has developed friends in the local teamsters union since he was active in organizing the Universal Manufacturing Company, Paterson, New Jersey for the Teamsters Union.

There are people from the Caucasus living in the Paterson, New Jersey area, who are reluctant to say anything about SOOZEKOV because they fear he will physically harm them and/or cause them problems because he knows political figures. Should SOOZEKOV become aware that he, as well as the men who are listed as witnesses to the atrocities committed by SOOZEKOV, made above information available to authorities, SOOZEKOV would seek revenge.

To: Federal Bureau of Investigation

Gentlemen,

For the last couple years we are reading in news paper "Paterson News" articles about Mr. Tscherim Soobzokov, 704 14th str. Paterson N.J. Several years ago, when we read a similar article in above mentioned paper, we did not react to it assuming that Mr. Soobzokov must be known to U.S. immigration and naturalization authorities. But because, publishing articles in news paper, Mr. Soobzokov is concealing the truth, we believe now that Mr. Soobzokov may have not told the truth to U.S. Immigration and Naturalization officials and therefore we decided to give you some facts about Mr. T. Soobzokov's activities in the past and at present time, which are as follows:

Mr. Tscherim Soobzokov was born in village Tachtamukay, in Krasnodar region of USSR. In Summer 1942, when German army occupied Krasnodar region of USSR, Mr. Tscherim Soobzokov voluntarily left his father's house and voluntarily joined German occupation army. Couple of months later, approximately in fall 1942, Mr. Soobzokov became a member of Nazi Execution Commando, which operated in Krasnodar region at that time. As member of that Commando, Mr. Tscherim Soobzokov personally took an active part in raids of population centers in Krasnodar region during German occupation. Mr. Tscherim Soobzokov took an active part in arresting people and killing them without any kind of investigation or trial - fair or unfair.

From year 1943 to very end of World War II Mr. Soobzokov was seen by many people in many different places in uniform of German State Security Forces. Mr. Soobzokov was not deported from his native country, he was not a transportation worker and Mr. Soobzokov was not in a camp as slave laborer or prisoner during World War II.

For the last 6 - 7 years Mr. Soobzokov is running a kind of unofficial employment agency - putting people to work, mainly in Universal Manufacturing Co. in Paterson, and charging them from \$100 to \$500 and more each time.

Mr. T. Soobzokov is running sort of unofficial law office too, pressuring people to entrust him with accident and divorce cases, for which he is getting paid \$500 to \$1000 and more. Here we are not talking about isolated cases.

Mr. T. Soobzokov is intimidating people, mainly refugees from USSR, who know some facts about his activities in the past and at present time, threatening them that he is a member of Masonic Lodge and anyone who dares to say a word against him, will be taken care off quietly, efficiently and forever. Mr. Soobzokov personally made physical threat to several people.

With this report to you we hope we are taking a positive step to stop a former nazi mutderer using his association with the city administration in Paterson N.J. and his membership in the masonic lodge to deceive, intimidate and create an atmosphere of fear among simple but innocent people.

All above statements are facts and we are prepared to provide evidence of witnesses.

Please investigate this matter as soon as possible.

Sincerely at your service
