MEMORANDUM FOR: Lt. Col. Seward, OSA
 [redacted] OSA
 Comdr. Richard Warren, SD/OL
 Mr. William Kotapish, OSA

(b)(3)

SUBJECT: CHIGOE - USN Coordination Meeting

1. I have scheduled a meeting between ourselves and Capt. Doolin and staff at Patuxent River Naval Air Station, at 1400 hours on Monday, 28 March. The purpose of the meeting will be to set out in detail the tasks and timing of USN's support to CHIGOE. I will arrange transportation.

2. In order to present a cohesive, integrated package to USN, I am calling a preliminary meeting at 1400 hours on Friday, 25 March, to review and coordinate these items. The place will be announced later, as this date falls in the ORD moving period. At this meeting I would appreciate receiving from each of you a written draft containing:

a. specific tasks/services/materiel which you foresee as being required of USN during the program, in either development or operational phases,

b. authorizations/contacts/introductions which you will need to perform your Agency tasks in connection with the program, and

c. additional comments, including potential problems which may arise in our working relationship.
