TATSUMI Eichi

Background data on Subject reveals that he has provided intelligence to the Chinese Nationalist Ministry of Nationalist Defense. In the course of this activity, he appears to have cooperated with certain Chinese within the M'D who were reported to have been Communists. He has also continued to maintain a close relationship with Gen. DOI Akio who cooperated with him in providing intelligence to the Chinese, and who has been in association with both Chinese and Japanese Communists and leftists, for intelligence purposes as far as we know.

Subject is, however, believed to be in a position to obtain data which may not otherwise be accessible to us. For this reason, it is felt that our continued association with Subject is warranted.
