Bombing Near US Marine Residence. On 14 June, unidentified terrorists detonated a bomb under a US Marine Security Guard vehicle parked in front of the detachment's quarters in Buenos Aires, Argentina, causing no injuries, but extensive damage to the vehicle. Argentine authorities are conducting analysis of forensic evidence from the scene. The attack coincided with the anniversary date of the surrender of Argentine forces at Port Stanley to British troops.

Argentina: Bomb Damages US Marine Vehicle

An early morning bomb attack in front of the Marine Security Guard residence in Buenos Aires caused no injuries but destroyed a detachment vehicle and blew out windows in the area. No one has taken credit for the attack, and an investigation by Argentine authorities is under way. 3.5(c)
