1. A sensitive source has reported that Timothy LEARY has made no indication of any plans or intentions of leaving Switzerland, since his release from a Swiss jail on 6 August 1971.

2. Source further reported that the LEARYS' have had financial problems as a result of their legal action involved with Timothy LEARY's arrest by Swiss authorities on 30 June 1971. They have, to date, incurred a \$4,500.00 bill for the professional services of their Swiss lawyer, Horace MASTRONARDI. To offset these expenses, the LEARYS' have been receiving financial support from both private and public sources. KSAN Radio Station in San Francisco has sent \$3,000.00 which was collected following a radio appeal for funds. In addition, the LEARYS' also expect to receive \$25,000.00 from the sale of a house. *SWITZ*
