TO : Chief of Base, Pullach DATE _____

FROM : Chief, EE Info: Chief of Station, Germany

SUBJECT { GENERAL : Operational/UPSWING/CART/LCIMPROVE
SPECIFIC : Request for Summaries of Cases

REFERENCE: EGLA-23134, 28 March 1957

ACTION REQUIRED: Preparation of summaries of all known UPSWING CART cases

1. Reference forwarded to Headquarters a summary of UPSWING StB CART cases. We used to receive summaries of cases on a fairly regular basis in the past and hope that the former practice has not been abandoned. We prepared some summaries of major cases in September 1956 in order to brief certain KUBARKERS who would be having contact with the UPSWING participants in UJDRACO VII. These summaries of ours are now out of date and therefore inaccurate and incomplete. Reference itself now suffers from somewhat the same failing (the [] case is not yet in UPSWING hands, and the [] matter seems not yet of very much moment, but many of the cases listed in reference have already passed from the scene).

2. At all events, we request that POB prepare summaries of the CART cases, preferably grouped by opposition service, which we know UPSWING currently to be running. These summaries will provide current information in a compact form for briefing the various people who from time to time have reason to be informed; will increase the perspective in KUBARK's view of the UPSWING CART scene; and will permit more ready analysis of UPSWING's CART activity and also of the progress or retrogression of our CART liaison with UPSWING.
