TERRORIST THREATS AND PLANS

Tab B includes all reasonably credible reports of planned terrorist activity. Although the reliability and access of the sources vary considerably, the threats listed are considered sufficiently plausible to warrant alertness and the use of protective security measures. However, terrorist groups often discuss general intentions or make tentative plans for violent acts that they never succeed in carrying out. In nearly all the cases listed, the intended target and appropriate governments have been informed of the threat.

** Indicates a new threat reported for the first time.

* Indicates a revision of a threat reported in previous issues.

I. Western Hemisphere, Including the United States

<u>Target:</u>	U.S. AMBASSADOR U.S. EMBASSY	Recent developments in Honduras at the U.S. Embassy have resulted in the tightening of security measures. In late August a night watchman was approached as he departed the Embassy and asked questions about working hours of the Ambassador and Consul. The two men said they were Sandinistas and spoke of getting a large ransom if they kidnaped the American Ambassador. On 24 September an anonymous male telephoned the Embassy and speaking in Spanish said something about "explosivo--5 minutos". A search of the building was negative. (SECRET)
