Sorry about that. I just looked at the obituary that the requester sent, and the DOB is January 15, 1922 and DOD is February 20, 2006.

Thanks,

[Redacted] It happens that I'm a great Gerald Posner fan. He wrote *Case Closed* about the JFK conspiracies, among others. He's a smart guy, but he must have the date of birth wrong on this one. Who ever heard of a 14-year-old archbishop? Maybe he was archbishop of his neighborhood playground! [Redacted] You might want to give Posner a call and ask him to verify the birthdate. [Redacted]
