Herr Parker

It has been learned from OSI, Munich, that an interviewer of the 7051 AISS has a brother-in-law who is a business acquaintance of Herr Parker. Herr Parker reportedly travels to Poland, Hungary, CSR, Bulgaria and other eastern satellites as representative of the ZELLSTOFFWERKE in KELHEIM. The interviewer thought his brother-in-law could arrange a meeting with Herr Parker and that the Air Force might be interested in recruiting him. A check of the factory in question indicates it is probably the ZELLSTOFFFABRIK WALDHOF, Werk Kelheim, Kelheim/Donau, telephone Kelheim 841. We advised the Air Force to take no steps in the direction of recruiting Parker as a legal traveller. Unfortunately the date of this report could not be determined.
