Subj: Ernst WORM, born about 1906 in NIEDELGRUND bei WARNSDORF, formerly SUDETENGAU now CZECHOSLOVAKIA.

*Has 2
bro.*

Herr E. Worm was the leader of the SD during the Nazi Regime and 1st Chief in the Bodenbach-Tetschen/Sudetengau District. He was an activist in this work. In May 1945 Bodenbach was occupied by the Soviets. A Major of the Red Army told a man from Bodenbach that he had shot Worm with his own pistol and that Worm was buried in a cemetery in Bodenbach. The Russian officer personally showed this grave to this man. About Sept 45 Herr Worm appeared suddenly from the dead in Arnstadt/Thuringen and stated that he came from an internment camp in Pirna Sa. and had the intention of going to the West. It is known that he passed through Duderstadt. During recent years Herr Worm met various acquaintances from Bodenbach and claims to have resided in Stuttgart, Munich and Esslingen. He stated that he would have been unable to secure employment in his own name because of his previous SS membership, so he always went under assumed names. It is known that he used the identification papers of a certain deceased Rudolf Richter, born 1906 in Barken Post Topkowitz Kreis Tetschen. Recently Herr Worm has represented himself as a Herr Weber. A woman acquaintance of Worm saw him in Leipzig several months ago and found out that he is now the head of a business. She hardly recognized Worm, since he had changed in appearance so much. He is about 5'6" tall, heavily built, full faced and has thick, brown hair. He is often in the West Zone and drives an expensive car. It is known that Worm speaks Russian. He recently attempted to employ the writer as a Specialist Mechanic-and-Toolmaker and promised him a position but refused to give the name of the firm or its location. Writer declined the offer since he feared that he might be forcibly removed. The last address which Worm gave to an acquaintance was: Ernst Worm, Esslingen-Workau, Ottilienstr. 47. He has recently lived in Frankfurt/M, Bayreuth and Giessen.
