DIR 40145 (OUT 87835) dated 10 February 1953

Approve para 2 PULL 4909 (IN 34785) providing that when WITLITY asked to include UJ DREADFUL as a candidate (for UJ DRASHKY) it be made clear that he will not be included in UJ DROSEKY program unless he is cleared in every respect.

We agree that this is an excellent opportunity to re-carriage UJ DREADFUL. However we must be completely certain his bona fides prior to any consideration for inclusion in UJ DRASHKY program. All discrepancies must be explained while under Carriage and assessment in Germany. If not broken during second run, we will not bring him to the States with the hope of breaking him while he is training here. On the contrary, we prefer to use UJ DRASHKY program merely as a ruse for interrogation with no intent whatsoever to actually include him in this program.
