PULL 4942 (IN 36428) dated 11 February 1953
POB does not desire to expell MECHANIK until the question of his last trip to the CSR is clarified. CSW is on record against a third Carriage examination. This leads to UJ DREADFUL, the only available Zipper interpreter for Mechanik carriage. Since he has been already carried and ostensibly cleared, we could not insist that he submit again, yet without the clarification of his case, he is unacceptable as an assistant in the Mechanik carriage. POB is unwilling to mix the two cases, due to the unusual importance of careful timing in the UJ DREADFUL Case.
