Otto JANOWSKI

1. Request traces of Otto JANOWSKI, apparently a private business connection who recently called UJ-DREADFUL from Munich telephone 23922. There is only one Otto JANOWSKI listed in the Munich City Street Directory at Stoerberlstr 1/III. This individual was born 21 November 1898 at Goerkau, Germany, married to Elisabeth nee LOOS, born 7 August 1902 in Saaz, CSR. JANOWSKI is listed as a commercial employee. He registered at his present address on 20 February 1951 and had come at that time from Glonn, near Ebersberg, Bavaria. He may be identical with the person who called UJ-DREADFUL.

2. The business deal in question involved the sale of aluminum to be obtained by UJ-DREADFUL through a contact named ZOELIWER (phonetic) who is employed by an aluminum company in Freising. UJ-DREADFUL informed JANOWSKI in effect that a big deal could be concluded if JANOWSKI could find a customer who would make 15 to 20,000 (presumably DM) available. JANOWSKI promised to find a taker, and later (on 7 December 1953) called to state that a Salzburg customer had 10,000 (currency again indefinite) available immediately.

3. Please let us have traces of Otto JANOWSKI. We have already checked Region IV CIC and OSI locally with negative results. POB files contain no record.
