SUBJECT: Illegal Operations of Dienststelle 5

At a meeting with D-5 on 27 April 1954 I inquired as to their plans for the illegal commitments of agents during the forthcoming season. According to statements by V-3597 all of his illegal operations (FATRA, TECHNIK, GRONAU and AESKULAP) will be ready to roll at the end of May 1954. To date I have taken no stand as to the approval of the last two, GRONAU and AESKULAP, which are still carried as Forschungen.
