TO : Chief of Mission, Frankfurt
     Attn: Chief of Base, Pullach,

DATE _____

FROM : Chief, EE

SUBJECT { GENERAL : Operational
          SPECIFIC : Viktor KREYSLER

Reference: PULL 7897

1. Following are possible traces on the Viktor KREYSLER of reference.

   BARANOWSKI Report, date unknown
   Admiral KREISLER - in charge of the Soviet Mission in Hamburg which supervises the dismantling of the shipyards; gives the impression of being a Czarist officer; over fifty years old; occasionally attends concerts at the home of the US Consul in Bremen.

   MGIA-800 attachment dated 17 March 1949
   KREYSLER - lives in Jerxheim; in charge of the Jerxheim border crossing point used chiefly by the KPD to travel from the British Zone to the Braunschweig area.

   MAVA-7999 dated 29 March 1951
   The RAVAG radio station is an official organ of the Austrian government. Soviet occupation forces are directly responsible for only one program, the Russische Stunde. The material for this program is prepared by the Russian Information Service and the program is directed by an Austrian, KREISLER (fnu), over whom the Soviets have jurisdiction.

   EASA-629 forwarding report dated 1949
   KREISSLER - former concentration camp inmate; writer and reporter for the Soviet Hour section at RAVAG; in charge of all broadcasts directed

against the West; in contact with Lt. Colonel GOLDENBERG; works
under the direction of the Soviet Information Service; RIS agent;
married; one child; old Communist Party member.

2. We are replying to PULL 7897 by pouch rather than by cable since
cable traces were not requested and since none of the foregoing traces
seem definitely identical with the individual described in reference.
