M/R - Meeting with @ KUEHNE

SUBJECT: UJDREADFUL

1. In view of the reported severe illness of UJDREADFUL, plus the fact of his knowledge that he is under suspicion as a result of detailed interrogation conducted by @ SCHACH, [ ] informed @ KUEHNE that [ ] would concur in the three CSW commitments ready to go this month. However, the principal condition for this approval is a statement from @ KUEHNE to the effect that UJDREADFUL has been and will continue to be segregated from these operational commitments until the investigation of him has been completed. @ KUEHNE promised to check on this and stated that he would furnish us a full assurance in writing before taking any action towards activating the commitments.
