5. UJDRADFUL: I reminded Fleming of the bad LOFLITER run by KUBARK on UJDRADFUL and asked what CASPER had done with him. Fleming said that he had not been able to pin any Eastern connections on UJDRADFUL but that his story of Czech capture, Soviet imprisonment and later escape was obviously of the three-dollar bill variety. Conveniently UJDRADFUL had falsified his PBQ concerning his Abitur so CASPER had an excuse to withdraw his Beasler status and relegate him to harassment activities.
