SUBJECT CART/CATIDE/ C Meeting Place of CATIDE D/A Operation		
ACTION REQUIRED - REFERENCES EGMA-65293, 1 October 1964 <i>(described restaurant of EGMA-65579. Asked if similar one in Vienna.)</i> <p>1. We have been unable to identify the installation described in Reference. However, if you do receive information that a meeting is to take place on a certain date (and hopefully the time), we would be glad to mount an audio surveillance of one or two likely spots in the hope of "piggy backing" a monitoring effort. We can mount such an operation with little or no danger to our local assets, but MLB will have to judge the operational gains of such a move.</p> <p>2. If the installation in question is not one of the two large yacht clubs in Vienna, it is probably one of many along the Danube near other large cities. If you come up with more identifying information, please advise us.</p> <p>Dist: 2 - Chief, ML B ② - Chief, KE 1 - COS/G/Y 1 - COS/G/B 2 - Bonn Ops Base 2 - CSE/Frankfurt</p> <p style="text-align: center;">CS COPY</p> <p style="text-align: center;">GROUP 1, EXCLUDED FROM AUTOMATIC DOWNGRADING AND DECLASSIFICATION</p>
