FROM Chief, Coordination and Support Base/Fran		MICROFILM
SUBJECT CATIDE/DIZTAG/UJRANDOM/AQUATIC - TDY of []		[]
ACTION REQUIRED - REFERENCES REFERENCE: -12914, dated 10 March 1965		
<p>1. On 19 March, [] traveled to Copenhagen surreptitiously monitor the CATIDE/[] operation directed against the Josef LENSKY/"GEIGE" meeting which was expected to take place in the dining room of the Skovriderkroen Hotel at 12:00 noon on 20 March 1965.</p> <p>2. Through pre-arranged planning, [] was able to register, under alias, in the room situated directly above the dining room where the meeting was to be held.</p> <p>3. Prior to the actual manning of the LP, [] requested that [], who was fully conversant in the German language, be assigned to the LP during the monitoring. As a result of this request, []'s wife was assigned the task.</p> <p>4. On the day of the meeting, monitoring began at 11:40 hours. During the course of the monitoring the entire band-width of the SRR-4 receiver was covered no less than a minimum of five (5) times. Particular emphasis was directed to those frequencies that are covered by the SRT-5 transmitter, i.e., 130-140 megacycles. Every signal received, i.e., taxi, aircraft, Danish, and Swedish radio transmissions were all positively identified by []'s wife. At no time was any signal received that resembled dining room chatter or conversation. A tape recording was made and passed to [] after monitoring was discontinued at 1400 hours.</p> <p style="text-align: center;">/CONTINUED/</p> <p>Attachment: One Envelope (H/W)</p> <p>Distribution: 2-C/KURIOT/AOB, w/att 2-COS/Germany, wo/att 1-C/MLB. w/att [] 1-Chief, WE, w/att 1-Chief, EE, wo/att</p> <p style="text-align: center;">63 COPY</p>
