PERTINENT INFORMATION

14.

Contact of 9 May 62

para 8. Kurt WUNDERLICH; @ PETERS asked if it might be possible to check on a RIAS broadcast in late 49 or early 50 in which WUNDERLICH was described as a MVD agent. [] described the difficulties of checking without a precise date of broadcast being known. [] said the name WUNDERLICH rang a bell and he would check o r files. PETERS said he would like everything we had, indicated WUNDERLICH was now an UPHILL staffer, and there were other reasons , apart from the TIAS broadcast, for not trusting him. COMMENT: UPHILL traced WUNDERLICH with us in June 59 (EGMA 43147) and no derog info turned up. The UPHILL trace presumably was due either to their interest in hiring WUNDERLICH, or the fact that they received a report re the alleged RIAS Broadcast.
