MEMORANDUM FOR: Legislative Counsel

ATTENTION: [redacted]

(b)(3)

SUBJECT: American Participants in the World Youth Festival (WYF)

1. Pursuant to your request of about ten days ago (and with apologies for the delay--this got slightly lost in the Czech crisis), I am forwarding [redacted] 23 August memorandum which contains a list of such American participants in the WYF as we have been able to identify from our files. You will note that in each case we have indicated whether the source for such identification was overt or classified material.

(b)(3)

2. It is my understanding that you asked us for this information in response to a request from a senior staff member of the House Un-American Activities Committee. Insofar as CA Staff is concerned, there is no objection to your making the attached list available to HUAC. However, in order to avoid a possible crossing of wires, please obtain the concurrence of C/CI/OP/DO (Mr. Richard Ober).
