MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Awards Proposed for Certain OTS
Personnel

1. In May of 1973 in response to a request for nomination of awards, recommendations were prepared in the Office of Technical Service for the following employees, in connection with the Agency's support given to E. Howard Hunt:

Richard A. Krueger

[Redacted]

Cleo L. Gephart

Stephen C. Greenwood

(b)(3)

2. When the above recommendations were brought to the attention of this office in March 1974 we were of the opinion that only Dick Krueger had acted in such a way as to warrant special recognition. The rest did only what they were told, with the possible exception of Greenwood who may have exceeded his instructions. It seemed particularly appropriate to us that Krueger, who had taken the initiative on two separate occasions to report new developments in the relationship with Hunt, be given some recognition for his initiative. It was the nature of his second initiative that made it possible for Karl Wagner, in terms of his own responsibilities, to react in such a way as to close down on the operation.
