✓ Chaffered Car. Too powerful for a cheap defense?
(Calican & Maratlan only?)

✓ 6 Police?

Make part of:
Leading Target Analysts... Shows mgs how much harder
tagging is than you think.

○ Instructions, primer ahead of time: Or video of
a few key moves...

✓ Upon adding play needs cards. ~~4~~ Needs at Start?

Hit markers not needed, look natural dating.

✗ Fix all cards at a location with each 4-6?

✗ Make course 1 1/2 days?
 → more case studies to contrast w/ Chapo?
 X even play game 3 times?

Bring in DEA person to talk about...

○ Fac plays hunters first; then students play hunters - open board
CONFIDENTIAL (3 tables & 9 students) / (6-9 students)

Playtest Notes Oct 2015

CONFIDENTIAL

- o + red dice for Carrel
- o make dice red on Defense cards

So ^{total} lead on Found: Roll or no? (No)

o force on Found lead: Not enough? add over ^{just} loc. So...?

o Cards > 3 "move" → "action" (Search: any other "move" on card?)

 > 1 "action" → "4-6"

 D7? "action" → "4-6"

Make Sure

"Hide Chaps"

Defenses either:

- Expensive
- require actions
- Must be fixed or finished to use

2nd test

markers for ~~multiple~~ card copies?

can some ~~markers~~ from loc → leads → card? Yes

tidily: No adv to location once fixed card. OK? ←

X Priority: {

- X card or chaps?
- X Only on 4-6? (All uses of planners)
- X no add effect?

Intels lead in front: advantages enough? ←

Chaps more info for "with Chaps"

Police Payroll: ~~Yes~~ Should it be 1st police on 4-6 = no effect (or add 3rd B to pic)

lead must be easier to fix something w/ than Loc

X "When Topo finished, remove heads out." Don't finish to pos. Fixed = Detained.

Grads: HW: Prevent fixing looks (what if fixed → fingers removed at defenses 1st then fixing in Chaps?)

Chaps defenses: More loc choices.

Disguise: "marks" → actions

Topo w/ multi-loc needs → fixed: Can planners go on markers where card is not? Yes

(What does loc of card mean?)

Should it just be finished?? No now (never)

still too many white at end. More the rally? X
→ no intel bulby, two tracks & marker. ✓ console removed!

Instrument: Fix to use? Y

die all defenses too weak?
