MEMORANDUM FOR THE DEPUTY DIRECTOR

SUBJECT: DDI Reports Joe Alsop "Optimistic"; Will See Soviet Expert

1. This memorandum is for your information.
2. Ray Cline reported by phone today that he saw Joe Alsop on Saturday (10 July) and found him "optimistic" and "changed for the better" from his previous meeting with Alsop. Alsop asked Cline if he could have a conference on Soviet economic affairs as he has had in the past. I concurred in Cline's recommendation that Cline set up such a meeting.
3. Mr. Cline will submit a report in writing on Saturday's meeting.
