MEMORANDUM FOR: The Honorable John D. Ehrlichman
Assistant to the President (Domestic Affairs)

SUBJECT : Declassification

1. Bill Colby told me of his lunch with you and your discussion of the problems of declassification. We have produced the attached outline summary of the problem and a possible solution for your consideration. It obviously would require further detail if it were to be adopted. However, the important thing is the degree to which it fits your general thinking on this problem.

2. If there is anything else we can do to help on this problem, please let us know.

Richard Helms
Director
