WASHINGTON, D.C.

Country: Poland

Subject: Delegates to Slav Congress, New York

Date of Information: 17 September 1946

Evaluation: 3-3

The following information comes from a usually well-informed Polish source in Paris, where the subject delegates arrived 12 September.

1. The Polish delegation to the Slav Congress which is to be held shortly in New York consists of:

General ~~SWIERCZEWSKI~~ - President of the Delegation  
 Arka ~~BOSEK~~ - Vice-President.  
 Colonel ~~KIRCHMAYER~~  
 Stanislaw R. ~~DOBROWOLSKI~~  
 Deputy ~~QZERWINSKI~~  
 ALBRYCHT  
 Major ~~KRZYWICKI~~  
 The Abbe ~~LAWRYNOWICZ~~  
 Professor ~~LAPICKI~~  
 Mms. ~~SIKIERSKA~~

2. Colonel ~~KIRCHMAYER~~ and Major ~~KRZYWICKI~~ have been placed in the delegation by the Warsaw Government intelligence service, to which they belong.

3. A report from the same source, dated September 1945 and never confirmed, stated that a General ~~SWIERCZEWSKI~~ was connected with an "NKVD" group in Paris.

A General ~~SWIERCZEWSKI~~ is listed in our files as a Communist, and Commander of the Polish Second Army, taking his orders from Marshal ~~KONIEV~~. He fought with the International Brigade in the Spanish Civil War, using the name of "General ~~HALTHER~~" and was one of the Polish delegates to the congress of former members of the Brigade held in Warsaw in November, 1945.

It is possible that this ~~SWIERCZEWSKI~~ is identical with the head of the present delegation.
