1. **Update:** Larry Gershwin, C/FDDC, noted recent developments in the following areas:

NR

-- Ames follow-up: Larry convened a Senior Steering Group to head-up the Red Team effort, with the key agencies represented. This group will identify problem areas that deserve close red team review. This effort will require some analytical time from affected agencies. Also, Larry will recommend that the FDDC briefings for analysts on the Ames' compromises of finished intelligence be resumed. ~~(S)~~
