MEMORANDUM FOR: Mr. Howard Osborn
Director of Security

SUBJECT : Identification of Activities with
Embarrassment Potential for the Agency

1. In responding on 7 May by memorandum to the DDO's request for the identification of any incident which might conceivably have an embarrassment potential for the Agency, I cited the equipment test which is mentioned in the attached memo. The test in question was related to the development of a "close-in DF" system for use against hostile radio-equipped agents, and in the course of running these tests, our technicians were in and out of some four hotels in Miami, with radio equipment. This was shortly before the political conventions, and at least one of the hotels was within a block of the convention hall.

2. Although this completely innocent--although subject to misconstrual--activity may already have been drawn to your attention by your own staff, it has occurred to us that we should ensure you are aware of it, given the involvement of a Security officer, [Redacted]
