CONFIDENTIAL COMMUNICATION

DECEMBER 1, 1963

U. S. ATTORNEY GENERAL ROBERT KENNEDY & MR. ALLEN W. DULLES,
WHITE HOUSE, 1500 PENNSYLVANIA AVENUE,
WASHINGTON, D. C.

DEAR SIR:

THERE ARE POSSIBLY NO TWO MEN ALIVE IN AMERICA WHO HAVE BROUGHT AS MUCH INJURY TO MY LIFE THE PAST FEW YEARS AS ROBERT KENNEDY AND ALLEN DULLES, YET, RECALLING A TIME WHEN I HELD YOU BOTH IN HIGHEST ADMIRATION, I LOOK TO THOSE DAYS, FROM WHICH I FEEL COMPELLED TO DIRECT THE FOLLOWING INFORMATION TO YOUR ATTENTION.

THE FOLLOWING MAY HAVE NO BEARING TO THE TRAGIC ASSASSINATION OF PRESIDENT KENNEDY, BUT I NEVER THE LESS SUBMIT IT FOR YOUR STUDY AND CONSIDERATION.

1. Monday, November 25th, 1963, while watching television camera scenes of Lee Harvey Oswald being moved from the Dallas City Police basement, and consequent murder at about 11:20 A.M., I was immediately taken back by the announcement that our witnessing of Oswalds murder was committed by one Ruby, Jack Ruby.
2. When Jack Ruby's picture was released over the television, I said to my friend in our Shaw Hotel room, "my god I know that man!" I know that man but where do I know him from, and with whom?
3. During the past 8 days I have tried to back-track my life in the most recent years and in various cities where I might have known this man or those to whom he was associated. If my memory serves me right, Jack Ruby was visiting Syndicate members in San Diego between the last months of 1961 and early months of 1962. The meeting of the Syndicate Members was at "The Brass Rail," a bar-restaurant owned by two Hungarian members. It is used as a homosexual bar, much as the New York Syndicate under the former Gallo gang used some dozen homosexual bars as "fronts." Today the Syndicate in New York and Chicago are using Scotch Dance bars, striptease bars, harem dancing bars, and the giant hot-dog houses as "fronts!"
4. Jack Ruby is known as a "finger-man" in these operations and not only is it probable for him to have had a hand in instigating the assassination of President Kennedy by Oswald, but likewise pre-arranged the attitudes for the assassination which was ordered from the East Coast. Oswald was a "sitting duck" to be used for the actual killing of President Kennedy. I sincerely believe that Oswald was to have met his accomplice in the theatre, supposedly been highly paid, thence escaped to Mexico & Cuba. If I am right in my deductions that it was The Syndicate that instigated the thought of assassination, then Oswald would have been liquidated within a few hours of the Presidents death anyway.

5. I have a very strong feeling that Jack Ruby might well have been the "finger man" who set-up the murder of Nick deJohn in San Francisco. You should really confront the above mentioned to Jack Ruby, it might jar him a bit!

Please know that I deeply regret that so much action was taken against my mail, and other outlets while in San Diego 1961, for as I then suggested in my communications, I could have indeed forwarded some very strong evidence against the welfare of our people and nation which emanated from near the border.

I wish you every good luck by the investigations, stressing the most careful analysis and protection to those who might give testimony during the trial. I likewise suggest that Mr. Robert Kennedy personally take greater precautions for himself and family until such time as he returns as Attorney General.

I prefer to not sign my name, rather just enclosing one of my old cards to acknowledge the sender of this letter. As you know from my past letters, I have very little confidence in the local FBI Office maintaining silence regarding my name, please do not acknowledge this letter to them here.

Respectfully yours,
