MEMORANDUM TO: Chief, 

SUBJECT : Joint OTR-TSS Balloon Exercise

1. During the period 9 - 27 July there will be a series of 10 personnel balloon flights at Denver Colorado jointly sponsored by TSS and OTR. Each balloon launching will utilize the shroud launching technique and at least one 39 foot balloon will be flown.

2. It would seem that this series of flights would present an opportunity for training in the shroud launching technique and would be an introduction to larger personnel balloon techniques. Representatives from SR are invited to attend.
