Honorable Howard H. Baker
United States Senate
Washington, D. C. 20510

Dear Senator Baker:

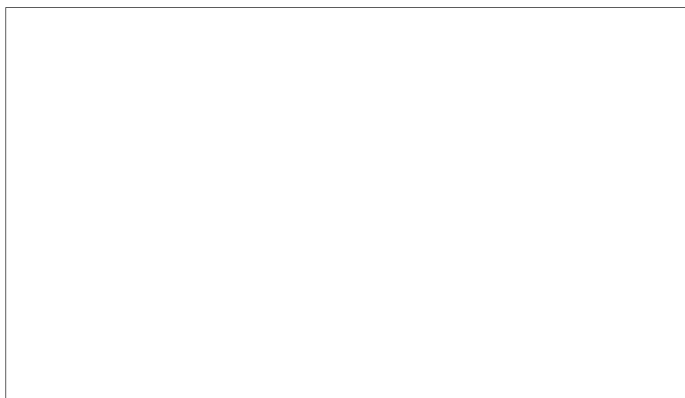

Mr. Leon Jaworski, Special Prosecutor, Watergate Special Prosecution Force, Department of Justice, by letter dated 19 February 1974 requested that the original tape of the 22 July 1971 Cushman/Hunt conversation be made available to his office for analysis and presentation to the Grand Jury. On 22 February 1974 our General Counsel, Mr. John S. Warner, advised Mr. Jaworski that we had contacted you regarding his request.

I would appreciate it if you would make arrangements with Mr. Jaworski for delivery of the tape directly to him or, if you prefer, return it to us for delivery to him. I am sending a copy of this letter to Mr. Jaworski for his information.

Sincerely,

George L. Cary
Legislative Counsel
