The Honorable Leon Jaworski

Department of Justice
1425 K Street, N. W.
Washington, D. C. 20005

Dear Mr. Jaworski:

I am enclosing a document which describes Mr. E. Howard Hunt's forthcoming book. We are informed that this document is an internal memorandum of G. P. Putnam & Sons, Mr. Hunt's proposed publisher. The document was sent unsolicited to the Agency on a confidential basis by a former employee, and it is requested that you treat it in the same manner.

I do not know if this document has any value for you, but it seemed appropriate that you should have a copy. At the present time we are planning to take no action on this.

Sincerely,

John S. Warner
General Counsel
