The Honorable
Nelson A. Rockefeller
Vice President of the United States
Chairman,
Commission on CIA Activities within the United States
The White House

Dear Mr. Vice President:

After reviewing portions of the report of the Commission on CIA Activities within the United States, I regret that I must inform you that I can not agree with certain statements in the Report concerning matters of which I have direct personal knowledge. There are, unfortunately, a number of important instances in which I believe that, due to inaccuracies and/or omissions, the report is seriously misleading.

As you may know, I have made no public statements regarding allegations concerning my activities with the CIA and I have no present intention of doing so. Lest silence on my part be interpreted as agreement with the text of the report as it relates to my past activities in CIA, however, I am writing to you to make my disagreement a matter of record.

Respectfully,
