Remarks: Ben -- Among the items you sent this office in connection with the "Watergate" File Review was a sheet from Col. White's calendar for 27 July 71 (see attached). There is interest in the 2:30 item, (meeting re Hunt). The meeting may well have had to do with Hunt's going to work for the White House. There is nothing on this in the White diary excerpts you sent. Did White by any chance do a memo for the record on the meeting? or is there other record?

Thanks,
