Mr. John S. Warner
Acting General Counsel
Central Intelligence Agency
McLean, Virginia 22101

Dear Mr. Warner:

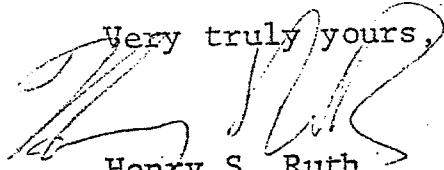

As was explained to you by Mr. Akerman on Tuesday, July 24, 1973, several questions have arisen in the course of our investigation of Watergate related matters concerning International Telephone and Telegraph Corporation and the persons who were employed by Gordon Liddy, E. Howard Hunt, and Bernard Barker. It would be of great assistance to us if the CIA would supply answers to the following questions:

- 1) Have any of the following individuals been employed by or associated with the CIA: Felipe de Diego, Pablo Fernandez, Angelo Ferrer, Hiram Gonzalez, Humberto Lopez, and Hal Hendrix? If so, what was the nature of each individual's CIA involvement?
- 2) Is the CIA aware of any intelligence or undercover activities undertaken by ITT against the Chilean government in the United States?
- 3) Is the CIA aware of any type of arrangements between ITT and the Mullen Company?
- 4) Does the CIA have any working relationship with the ITT Public Relations Office located at 495 Biltmore Way, Coral Gables, Florida, or any information on this particular ITT office?
- 5) Is the CIA aware of any intelligence or undercover activities performed by Howard Hunt and/or Gordon Liddy for ITT?

Your assistance in this matter would be most appreciated.

Very truly yours,
