MEMORANDUM FOR: Executive Secretary,  
CIA Management Committee

SUBJECT : Project TWO-FOLD

1. This memorandum sets forth a recommendation for your approval in paragraph 5.
2. For the past several years, this office has been supporting the Bureau of Narcotics and Dangerous Drugs (BNDD) by spotting, assessing, and recruiting personnel to form an internal security unit whose primary mission is the detection of corruption within the BNDD. Subsequent to the recruitment and training stage, the individuals selected are turned over to the Chief Inspector of BNDD for operational guidance and handling in their various domestic assignments.
3. Recently, this Agency has extended this activity by supporting BNDD in the covert acquisition of individuals who are hired as Staff Agents utilized under nonofficial cover and directed against the principal international drug traffickers. These individuals are true employees of the BNDD and, although all administrative details relative to their employment are handled within the Agency, they are unaware of any Agency involvement.
4. It is felt at this time that a reaffirmation of our support to BNDD in Project TWO-FOLD is necessary and desirable.
5. Therefore, it is recommended that approval be granted for the continuation of Project TWO-FOLD as originally approved by the Director of Central Intelligence on 12 February 1971.
