

The Director of Central Intelligence

Washington, D.C. 20505

National Intelligence Council

29 June 1983

MEMORANDUM FOR: Commanding Officer, Naval Intelligence Support Center

FROM: Hans Heymann, Jr.  
NIO-At-Large

SUBJECT: Proposed Intelligence Memorandum: Request for Drafting Participation [redacted]

(b)(3)

1. The DCI Working Group on CW-Toxin Use is forming a sub-group to produce an intelligence memorandum on the utility of specific toxins in various conflict situations. The paper will provide the community's best current assessment of the possible threats that toxins pose to US/NATO forces. A copy of the precis is attached. [redacted]

(b)(3)

2. We request the assistance of [redacted] preparing this Memorandum. [redacted] expertise required for this assessment and will provide a channel for participation by other interested analysts in your organization. [redacted]

(b)(3)
