Still working possible dates, but we'd like the briefing primarily at TS. If needed, we'll excuse everyone but the Senator for the portion above TS. We'll coordinate the briefing room in Senate Security. I'll shoot you dates soon.

Hi Pete,

Good to talk with you. Let me know what dates and times would work for the Senator and I will work on setting up the briefing. Also, at what classification level will this briefing be?

Many thanks,

Chip,

Does your team have a position on Khairat El-Shater and the Muslim Brotherhood in Egypt? Can we trust their purported move to moderation or should we view with reservations? Thanks.
