Marc LINDER

~~Erik LOKENSGARD~~

~~David NORRIS~~

3. The SDS lists its address as ~~1 Berlin 30, Eislebenerstrasse 14.~~

4. The SDS group does not appear to have any significant funds.

The treasury only contained between 260 and 320 German Marks. It was mentioned that they had recently received 900 DM as a gift. The source of the money was not identified. Dues for members are 10 DM a month. The group has written to some sympathetic organizations in the United States asking for financial assistance but nothing has been received as yet. A coffee house project is being discussed as a possible source of income.

(b)(1)
(b)(3)

5. American SDS relations with the German SDS: Relations do not appear to be good between these two groups although some personal contact does exist in Berlin. The Germans mistrust the American group as being "infiltrated." The Germans also failed to assist in circulating the

14 JUL 1969

MALONE is an ex-GI who has resided for some time in Copenhagen and has a Danish wife. He has been working as a free-lance writer and contributes some articles to the Danish publication, POLITISK REVY. MALONE recently was identified as a contact of Stokely CARMICHAEL and Bobby SEALE.

The apartment was located at 104 Reichstrasse, Berlin. *See*
On the first or second floor (European). There were several names on the door, and one was DITTNER or something similar. A card was tacked to the door which in the bad light may have read Skip NORMAN. No one answered the door. We are attempting to identify the occupants of the apartment.

MALONE has been organizing a chapter of the BLACK PANTHERS in Berlin. It is reported to have fourteen members including David AYERS and ~~Claudius van HEYNINGEN~~, *see* the latter may be a Dutch national. ~~The purpose of the organization will be the recruitment of Negro G.I.'s who will become active PANTHERS after their discharge and return to the United States.~~

It describes the organizational affiliations of the ADC, the fact the ADC is a chapter of the American Students for Democratic Society, that the main ADC centers are in Sweden, France and Canada, advertises the ADC's newspaper, ~~THE SECOND FRONT INTERNATIONAL~~ and the radio broadcasts, ~~RADIO SECOND FRONT~~, transmitted from North Vietnam. BILL JONES, appears to be the leader of the American Deserters Committee

[redacted] He seems to be enjoying his role as leader and chief spokesman of the ADC and appears to be suffering from a small case of egomania.

(b)(1)
(b)(3)

He is outwardly confident and [redacted] is setting up a political American exile community in Sweden to accomodate deserters and other Americans who flee to Sweden for various reasons.

(b)(1)
(b)(3)

[redacted] there are 325 deserters in Sweden with 125 of them in the Stockholm area.

(b)(1)
(b)(3)

Jones is very anxious for as much good publicity as possible and he acts like a man who is being subsidized and backed by outside organizations. (probably North Vietnam and South Vietnam RNL groups).

The ADC security system is so constructed that it would be extremely difficult for someone to just pop in from the outside

JUAN HERADA (JIMINEZ) is a Spanish born student who is a ~~resident~~ in Sweden as well as apparently in Spain.

[redacted] he had been arrested 30 times in Spain and is free and alive only because his influential father managed to save him. (b)(1) (b)(3)

Juan has lived in the United States in both New York and the San Francisco area. He likes many things about the U.S. and plans to return when he earns enough money.

He appears to be a communist Soviet style and has a good grasp of world politics.

Jiminez was very interested in how one goes about losing himself in the United States and builds a new identity. He would like to acquire a U.S. passport and return to Madrid [redacted] he would not be recognized because he is from Northern Spain. (b)(1) (b)(3)

Jiminez delivers newspapers to earn a living and lives with his Swedish girl friend in a filthy Stockholm apartment.
